Mrs Henry Stevens
Somerville N.J.

Hear Mrs Stevens:

In compliance with
your request I am giving you
all the facts I can recall.

On Thursday September 14, 1922
I saw Mr Stevens surf
fishing with Mr Egger, near
his home in Lavallette
about 8 P.M. and again at
about 10 P.M., at the same
place.

On Friday, the 15th he was
in the store about noon.

On Saturday the 16th he was
called on the phone about
1 P.M. I sent the order boy,
Joseph Talley to his home

and he came to the store
It was a New Brunswick call.

Mr. Stevens said, "Something
has happened in my family.
Buy a paper to night"
He then hurried toward
home and I saw him
perhaps an hour later
hurrying for the Train.

I distinctly remember the
date as on the following
Monday I went to Ocean
City to make settlement
for our house, that was
Sept. 18, 1922.

Hoping this information
will be of assistance to you
and Mr. Stevens, I am

Yours very truly

George L. Copley
